

The Bus Riding News

*Here are some tips for a safe, happy ride
and a few simple rules that you need to abide*

When you are in a line-up
And you're getting on the bus,
Help the younger kids be safe
And don't be making any fuss

Climb aboard and sit right down
As quickly as you can
No yelling or screaming or video streaming
A total recording ban!

Hands off others, even sisters and brothers
No tickling, or messing their hair!
Keep your seat on the seat and no eating a treat
And know that I'll always be fair

truth

No bubbles, no biting,
No bopping a face
No kissing, no meanness
It's all a disgrace!

Hands off the windows
And feet on the floor
And you in the back
Stay away from the door!

TREAT OTHERS
the way
you
want to be
TREATED.

Kindness

No chewing gum
If you're under 18
And before you leave school
Please use the latrine

smile 😊

When leaving the bus, do remember your stuff
And look at your driver for clues
Cross only out front and don't pull a stunt
It's all in the bus riding news

Well, that's about it
Please have a great ride
And if anyone bugs you
I'm right on your side!

thank
you!
