My name is Justin Bolin and I am running for the position of School Board Trustee. Having been a resident of the valley for the majority of my life, I have a vested interest in the future of this community. I am myself, a product of the Golden Hills School Division, as well as a father to two children currently enrolled in the public school system.

I received my formal schooling from the University of Lethbridge, where my focus was on psychology and early childhood education. Being an educator for the past 12 years, I have been involved in both program development and budgetary planning. This has afforded me insight into the benefits of having strong organizational goals, and also the potential challenges our youth face in achieving their academic bests. Over the course of my career, I have sat as a board member and chaired various review committees whereby we examined policy and made recommendations to a governing body. I am a proponent of sport and actively volunteer my time to many youth athletic programs during the summer months.

As your Trustee, I will contribute to the long standing tradition of excellence in our public school system by being accountable to the community in which we live.
