

## Powering Hope and Possibilities

## 3rd Quarterly Report 2023

For the nine months from September 2022 to May 2023
Prepared by the Finance Department for the June 20, 2023 Board Meeting

## I BUDGET BENCHMARKS

The third quarterly financial report lists revenues and expenditures recorded to May 31, 2023, representing the first nine months of the fiscal year. As there are nine (9) months expended in Q3, the normal benchmark for comparison is $75 \%$ ( $9 / 12$ months). For some categories $90 \%$ ( $9 / 10$ months) is used to reflect expenses incurred only during the instructional months.

The Fall 2022-23 Budget was internally prepared by GHSD and all budget points referenced in this report are from this Fall 2022-23 budget.

The surplus of $\$ 1.74 \mathrm{M}$ for the third quarter is due to higher than expected other revenues, which includes SGF funds collected by schools and an increase in enrolment of students in International Student Services. Golden Hills also received additional funding from Alberta Education which were not included in original budget.

Supplies and services are expected to increase in tandem with SGF and ISS revenue increases, but typically lag behind revenue recognition. We anticipate these expense amounts to increase relative to revenues in Q4

## Notes on Comparison to Budget -Revenues

The $\mathbf{\$ 1 . 7 4 M}$ year-to-date surplus of revenues over expenses is due, in part, to when payments are received.
-
Additional payments from Alberta Education
2
School Generated Funds

International student fees

These categories, expenses typically lag behind revenue recognition, creating surpluses to Q3. We expect surpluses in the above categories to decrease in Q4 as the full years' expenses are incurred.

- Additional Payments from Albera Education are normally disbursed on a monthly basis. Exceptions to this are those payments which are received either annually, bi-annually or as a one-time-payment:

| Additional Payments Received Q3 | Amount <br> Received |
| :--- | ---: |
| $\square$ Teacher Salary Settlement | 512,992 |
| $\square$ Curriculum Implementation | 271,760 |
| $\square$ Ukrainian Student Support (USS) | 159,500 |
| Dual Credit Program (DCP) | 138,475 |
| $\square$ Learning Disruption (LD) | 114,988 |
| Other Alberta Ed payments | 212,172 |

- School Generated Funds Included in the Q3 operations are as follows:

| Category | SGF Revenues and Expenses - Q3 |  |  |  |
| :---: | :---: | :---: | :---: | :---: |
|  | Current year |  | Prior year |  |
|  | Revenue | Expense | Revenue | Expense |

| FT Kindergarten | 184,979 | 106,428 | 164,479 | 126,805 |
| Athletics | 771,359 | 755,851 | 586,674 | 526,982 |
| Misc Fees/Exp | 2,373,134 | 2,320,504 | 2,172,507 | 2,124,218 |
| Total | 4,496,467 | 3,938,454 | 3,698,043 | 3,397,449 |
| Net Surplus | 558,013 |  | 300,594 |  |

The majority of SGF fees are received and recorded in the first two quarters of the school year and represent current programs for students.

## C Notes on Comparison to Budget -Expenses

## Certificated Salaries and Benefits

Total certificated salaries and benefits for the Q3 were $\mathbf{\$ 3 6 . 6 M}$ ( $75 \%$ of a $\$ 49 \mathrm{M}$ budget) which is within the range of what the budget would permit by the $3^{\text {rd }}$ quarter.

Overall, certificated salary and benefit costs are within the budgeted amounts, management does not expect any significant variances in the subsequent Q4.

## Non-Certificated Salaries and Benefits

Total non-certificated salaries and benefits for the Q3 were $\mathbf{\$ 1 5 . 1 M}$ ( $83 \%$ of an $\$ 18.3 \mathrm{M}$ budget) which is higher than the pro-rated budget. A significant portion of non-certificated staff is paid over 10 months and not 12 months; therefore, the expenditure is typically higher for first 10 months but decreases in the last two months of the fiscal year.

## \$15.1M <br> Q3 2023

Enrolment fluctuations in the fall may require staffing adjustments. As a result the budgeted amounts are often higher until June and balance out by the end of the year. Also, payroll costs trend lower over the summer months: we anticipate some fluctuation in quarterly labour costs, but that the annual totals will balance out at year-end.

## Supplies and Services

Supplies and services year-to-date are $\mathbf{\$ 1 7 . 1 M}$ ( $79 \%$ of $\$ 21.5 \mathrm{M}$ budget). Typically, many of these costs occur over a 10-month school year and not the 12-month fiscal year, resulting in higher costs in the first 3 quarters and lower costs in the $4^{\text {th }}$ quarter. Department managers will continue to carefully monitor their budgets to ensure they stay within their spending limits.
\$17.1M
Q3 2023

Overall, supply costs year-to-date at February 28th are 4\% higher compared to the Q3 benchmark. Because supplies and services are variable expenses, this amount has increased as SGF and ISS revenues have rebounded.

## B Golden Hills is Currently in A positive CASh position.

As of May 31, 2023, $\mathbf{\$ 1 0 . 5 M}$ of the cash balance has been invested into GIC's with maturing dates ranging from June $9^{\text {th }}, 2023$ to April $24^{\text {th }}, 2024$, earning yields ranging from $3.8 \%-5.4 \%$. Of these investments, $\$ 7 \mathrm{M}$ are cashable within 90 days.

The Bank of Canada raised its benchmark interest rate to 4.75 per cent on June $7^{\text {th }}$ [sic], restarting its rate-hike campaign in the face of surprisingly strong economic growth and inflation data.

The next scheduled date for announcing the overnight rate target is July 12, 2023. The Bank will publish its next full outlook for the economy and inflation, including risks to the projection, in the Monetary Policy Report at the same time

| Total expenses | 8,760,528 | 8,718,909 | -0.5\% |  |  |  |

The annualized bottom line agrees to the estimated budget for the year, with some small timing variations in revenue and spending. Management anticipates PO\&M to meet its budget target at yearend.

Note: current year Q3 services, contracts, and supplies expenses have decreased compared to the prior year because of a change in how insurance expenses are recorded. Previously annual insurance premiums were recorded when paid. This year management adopted a practice of recording $25 \%$ of insurance premiums in each quarter to better reflect when those expenses were incurred.

Overall, with careful monitoring of expenses throughout the year, management anticipates Transportation to meet its budget target by year-end.

## 4. Board and System Administration

Board and System Administration currently has a negative variance of (\$3K) for the two quarters. As anticipated, the expenses which were weighted more heavily in Q1 and created a deficit in that quarter are now more in line with expectations for Q2. No other unusual changes in budgeted to actual expenses have been experienced, it is anticipated that revenues and expenses will remain at a breakeven point to year end.

Note: Alberta Education makes a provision for a separate System Administration Targeted Grant. The 2.8K grant amount has remained static since 2019.

External Services has generated more revenue in 2023 due to the larger than expected number of international students taking part in the program, including a significant increase in elementary age students arriving with parents.

External Services includes International Services, joint-use agreements and external contract service agreements. Included within this period is the recognition of $\mathbf{\$ 5 . 6 M}$ of ISS tuition fees revenue, of which \$5.3M was unearned revenue as at Aug 31, 2022. ISS Revenues are received in unequal amounts throughout the year, and most international students prepay tuition several months in advance. As a result, this unearned tuition revenue related to the 2022/2023 fiscal year is pro-rated
to each quarter based on an estimation of related expenses ( $35 \% / 30 \% / 25 \% / 10 \%$ ), while expenses are recognized when they occur.

GHSD charges a fixed 3.6\% admin fee to the ISS and Siksika programs to recognize the administrative costs that these programs use, but which are otherwise not directly charged to the program accounts.

Expenses are expected to increase in Q4 versus revenues and management expects external services to remain in a surplus position by the year-end. These dollars will allow us to invest in our dorm facilities.

## QUARTERLY SUMMARY

Golden Hills continues to manage expenses in line with expected funding despite higher cost inflation in some areas. At the end of Q3 Golden Hills remains in a surplus position for the year. In the following Q4 management expects expenses to begin to outpace revenues.

Overall, GHSD is keeping expenditures within the parameters of the Board's May 25, 2022 approved and submitted 2022-23 budget and our accumulated surplus from operations will be reduced by planned unsupported capital additions in Q4.

We continue to fund programs that are in alignment with our goals and vision of inspiring confident, connected, caring citizens of the world.
