## Pecuniary Interest of Trustees

Section 85 of the *Education Act* defines in some detail what constitutes a pecuniary interest. The pecuniary interest of a trustee's spouse or adult interdependent partner is the pecuniary interest of the trustee.

An adult interdependent partner is defined in the *Adult Interdependent Relationships Act* (s.3) as an individual with whom a person has lived in a relationship of interdependence for a continuous period of not less than three years, or of some permanence, if there was a child of the relationship by birth or adoption, or the person entered into an adult interdependent partner agreement.

In addition, in accordance with section 81 of the *School Act* each trustee must now file a statement with the secretary of the board showing: the names and employment of the trustee and the trustee's spouse and children, the names of the corporations, partnerships, firms, governments of persons in which the trustee has a pecuniary interest and the names of the corporations, partnerships, firms, governments or persons in which the trustee's spouse or children, under 18 years of age, have a pecuniary interest.
