

PERSONAL MOBILE DEVICES AND ACCESS TO SOCIAL MEDIA

Background

Golden Hills School Division is committed to fostering a safe, caring, respectful and focused learning environment. By establishing clear guidelines for the responsible use of cell phones and personal mobile devices Golden Hills seeks to continue to optimize learning, while minimizing distractions, and protecting privacy and academic integrity. This Administrative Procedure has been developed in accordance with Alberta Government Ministerial Order (Standards for the use of personal mobile devices and social media in schools).

Definitions

Instructional Time: Includes all time during a scheduled period where students are in the classroom, or time outside the classroom where teachers take responsibility for ensuring that learning activities for students are directed toward achieving the outcomes of approved programs of study.

Non-instructional time: Includes time during the school day where students are not scheduled to be with a teacher. This includes before and after school, breaks, and lunch.

Personal Mobile Devices: Means any personal electronic device that can be used to communicate with or access the internet or cellular network, such as a cellphone, tablet, computer, gaming device, or smartwatch.

Social Media: Refers to online platforms that allow people to create, share, and interact with content through virtual communities and networks.

Examples of social media platforms: Facebook, Instagram, X (Formerly Twitter), TikTok, Snapchat, and others.

Procedures

3. Storage of Personal Mobile Devices:
 - 3.1. Students Kindergarten to Grade 6 are required to keep their Personal Mobile Devices powered off or silent and stored out of view throughout the school day (including non-instructional time). Devices can be stored in lockers or designated locations determined by the principal. Principals will communicate these locations to students and parents.
 - 3.2. Students Grade 7 to Grade 12 are required to keep their Personal Mobile Devices powered off or silent and stored out of view during instructional time. Devices must be stored in lockers or in designated locations determined by the principal. Principals will communicate these locations to students and parents/guardians.
4. Social Media Platforms:

Golden Hills will maintain an updated list of social media platforms that are restricted from school networks and devices.

 - 4.1. The restricted platforms include Facebook, Instagram, Twitter, Snapchat, and TikTok. Please click this link for a [complete list](#) of restricted platforms on Golden Hills networks and devices.
5. Disciplinary Measures:

A progressive discipline approach will be employed to address violations, in alignment with AP 350 Safe and Caring Schools, Student Conduct and Discipline.

 - 5.1. Discipline for inappropriate possession and/or usage, shall be progressive and may include:
 - 5.1.1. Warning a student and asked to put it away;
 - 5.1.2. conversation with student and/or parents/guardians;
 - 5.1.3. temporary confiscation, where student or parent may regain access/collect the personal mobile device in due course; and/or
 - 5.1.4. prohibition of device on school property
6. Notification Process:

Parents/guardians will be contacted if their child is found to be in violation of the school authority's procedures.
7. Roles and Responsibilities
 - 7.1. Students Responsibilities: Adhere to the guidelines set out in this administrative procedure.
 - 7.2. Staff Responsibilities: Ensure students and parents/guardians are aware of this administrative procedure. Educate students about the appropriate use of personal mobile devices and social media.

- 7.3. Parents/Guardians Responsibilities: Demonstrate support for the administrative procedures by discussing it with their children to ensure understanding. Work collaboratively with school staff to address any concerns
8. Communication Process: Individual schools will communicate this administrative procedure annually to staff, students, parents, and school community through their regular communication process, which may include social media, meetings, newsletters, and the school's website. This administrative procedure will be readily accessible to the school community and the public via the Golden Hills website.
